SAVE THE DATE!

Registration is will begin soon for the annual AFMA Fall Conference! The fall conference is the end-of-year conference for the seasoned floodplain manager and serves as a great introduction to floodplain management for those new to the business.

Presentations will be covering a variety of topics, including the following:

- 2019 Arkansas River Flooding;
- Basic Floodplain Management;
- Floodproofing;
- Floodplain management best practices;
- Updates on existing programs and projects;
- Legal Updates;
- And much, much more!

CFMs! Don't miss your end-of-year opportunity for continuing education credits ([CECs](#)).

New to floodplain management? This event is a GREAT introduction to FEMA and floodplain management basics. As well as a great opportunity for networking with other floodplain managers.
