

Keynoters/Agenda Announced - 2019 National Disaster Resilience Conference

For three days in November, a who's who of resilience leaders will share their research, findings, and experiences with attendees who all share the common goal of building a more disaster-resilient nation. With the [2019 agenda](#) now available, it's clear that participants will walk away from these thought-provoking presentations feeling more informed and inspired with new ideas and relationships.

NDRC18 Recap

As one past attendee noted, "It's conferences like this, where you get everyone together to talk about a truly holistic approach to resilience." - Arthur Parks, P&C Underwriting Director - State Farm.

By any measure, the National Disaster Resilience Conference is the industry's premier annual event, bringing together the nation's foremost voices in the disaster safety movement including design professionals, emergency managers, financial services experts, housing experts, insurers, journalists, meteorologists, product manufacturers, risk communicators, scientists, social psychologists, and many others.

Other past attendees noted:

"We leave here knowing who the force multipliers are. Who the people are that can amplify these messages and truly have the greatest impact." - Roy Wright, President & Chief Executive - IBHS.

"Bringing together all of the resilience minded people will do leaps and bounds to help move the industry in the right direction." - Erika Peterman, former VP Performance Materials Construction - BASF.

"If you look at the movement from 1998 to today, people are so much more well informed. I have no doubt the messages that FLASH and the partners here have delivered at this conference over the last twenty years have saved lives." - Steven Cooper, Regional Director - National Weather Service.

This year's lineup of NDRC presenters and panelists includes Leslie Chapman-Henderson, President & CEO - FLASH; Alejandro Contreras, Director, Preparedness, Communication and Coordination, Office of Disaster Assistance - U.S. Small Business Administration; Dr. Anne Cope, P.E., SVP Research and Chief Engineer - IBHS; Craig Fugate, Chief Emergency Management Officer - OneConcern, former FEMA Administrator; and FLASH Leadership Partner; Angela Gladwell, Deputy Assistant Administrator, Risk Management Directorate - FEMA; Brock Long, Executive Chairman - Hagerty Consulting & former FEMA Administrator; Dennis Ross, Director - American Center for Political Leadership, former U.S. Congressman, and FLASH Leadership Partner; Matthew Sitkowski, Executive Producer - *The Weather Channel*; Roy E. Wright, President & Chief Executive Officer - IBHS; and many more.

Dr. Rick Knabb, On-Air Hurricane Expert and Tropical Program Manager - *The Weather Channel* and FLASH Leadership Partner and John Zarrella - JZ Media and

former CNN correspondent will take the helm as the masters of ceremony at the conference.
