Mitigation Planning:
Reducing Risk, Supporting Communities

Get Ready to ShakeOut!

On **October 17, 2019**, at **10:17 a.m. local time**, millions of people will **Drop! Cover! and Hold On!**, during the Great ShakeOut Earthquake Drills held throughout the world.

Last year, more than 63 million people worldwide participated in the Great ShakeOut. Most of the participating organizations held their drills on International ShakeOut Day, which is the third Thursday of October each year.

Free Webinar October 29, 2019: Land Use Solutions for Drought and Cascading Impacts

American Planning Association
Making Great Communities Happen

In cooperation with the National Drought Mitigation Center (NDMC), FEMA partner American Planning Association (APA) is presenting the third in a series of webinars on the subject of drought mitigation planning in a multi-hazard context.

This webinar features a discussion by Shannon Burke, APA's Hazards Planning Manager, and Anne Miller, AICP, Director of the Colorado Resiliency Office (CRO) in the Department of Local Affairs. Participants will learn about:

- Drought and the interrelatedness of hazards
- How planners can address drought
- State and local efforts to integrate resilience and hazard mitigation principles into plans, codes, and standards related to land use and the built environment
